90 Points

Fresh and vibrant, with a nice green olive note weaving through the refined black cherry and tar flavors. (*Wine Spectator*, June 2012)

Wine & Spirits

Best Buy

Dark and spicy, with scents of anise over a rich plummy core, the fruit here is deep and extracted, leading to a grippy, mildly astringent finish. It will need some time for those tannins to resolve, but remains a potent red for barbeque. (*Wine & Spirits*, June 2012)

90 Points

A beautifully crafted blend that includes 19% Merlot and splashes of Syrah and Cab Franc, this melds black fruits, black olives, a pleasing array of fresh herbs and a hint of mint. The mix is full and seamless, with an easy roundness that carries into a pleasing finish. -P.G. (*Wine Enthusiast*, April 2012)
