

Critical Acclaim: 2010 Sémillon

91 Points. 100 Best Washington Wines.

Pale in color, this sémillon (with 12 percent sauvignon blanc) is an aromatic *tour de force* with pineapple, mango, toasty spice, floral notes, and pear syrup. It's rich and full on the palate and has beautifully balanced acidity and a lingering finish.

92 Points.

Incredibly seductive nose of lemon drops, lemon curd, fresh white peaches, and a hint of sweet, tropical fruits (mango & melon), and a hint of gray rock. Soft and well-balanced, with some super cool salinity at the finish. A fantastic wine.

90 Points.

Brisk and juicy, aromatic and fresh with peach and smooth spice; bright and lively with good texture and richness.
