Critical Acclaim: 2011 Sémillon

Rand Sealey's Review of **Washington Wines**

18+/20 Points

This is a flavorful white. Blended with 11% Sauvignon Blanc, it shows a brilliant gold color and an attractive nose of pear, peach, casaba melon, honeysuckle and litchi nuts. The flavors are rich and creamy, suggestive of beeswax, yet crisp and well defined, with touches of peach pit, fig and minerals, counterpointed by citrus (grapefruit, Meyer lemon) on the back that enlivens the wine.
