2007 Syrah

Walla Walla Valley

Winemaker's Notes:

Aromas of violets and ripe berries mingle with a light essence of soil and brambles. Flavors of ripe dark fruits, raspberries, blueberries and cranberries embrace subtle hints of mineral and citrus. Critics say our Syrahs are getting better every vintage, and we are very excited about this one! Even in its youth, this wine flaunted a sophisticated combination of beauty and brawn.

The 2007 Vintage:

Our wines from the 2007 vintage are amazingly balanced, show fantastic intensity of fruit, and have great natural acidity. The summer in Walla Walla started off hot but gave way to cooler conditions during the harvest season. Winemakers across the Walla Walla Valley rejoiced at such a perfect growing season and harvest.
