Wine Country:

WALLA WALLA VALLEY

By Anne Nisbet

“A visit to Amavi Cellars’ new tasting room—it opened in September this year—feels like stepping back into the Old West. The interior is a re-creation of a handhewn log cabin found on managing partner Ray Goff’s Montana ranch. Current releases include a lush 2002 sémillon, a heady 2001 syrah and an earthy 2001 Cabernet Sauvignon.”
